Mixed () Other:

ADDITIONAL ARCHITECTURAL OR STRUCTURAL DESCRIPTION:

Gabled dormer with returns; simple wood cornice and torus mold trim at windows and transom lit door, where there is a later poorly designed triangular hood on slender columns.

RELATED STRUCTURES: (Describe)

STATEMENT OF SIGNIFICANCE:

Good Federal townhouse in need of restoration, part of a pair with 239. Important to streetscape but would be of greater significance if porch and siding removed.

OPEN TO PUBLIC no

239 and 241 Hanover Street are adjoining structures shairing a single central chimney and a simple wood cornice. Each has a roof dormer with 6/6 elliptical windows and steep triangular roofs. Houses have modern siding but 6/6 shuttered windows show potential of these two buildings. Next to fine Greek Revival house and as well as another early structure. Well worth restoring.
